

# Carpenter and Remodel Installer

Turek's Plumbing is a locally owned, growing company, and adding to our team. We are always looking for the RIGHT person with the RIGHT attitude and who is reliable and willing to be a team player. We need someone that just doesn't simply want a job, but is looking for career. We hire honest, ethical people who are aggressive and want to join an expanding company.

## Full Job Description

Are you ready to be our next remodel hero? Customers look to our remodel team to give them the kitchens and bathrooms of their dreams. Our staff has become a family of go getters and project rock stars. We are looking for a carpenter that can step in to "Create Terrific" by following our company values.

- Supportive: Willingness to help the team and customers for the benefit of all.
- Honesty: Do what you say, say what you do and follow through
- Commitment: Meeting the needs of the company by being accountable and reliable.
- Growth: Being a continuous learner, always looking for new and better ways.
- Communication: Listening, understanding and sharing information and knowledge in a meaningful way.
- Safety: Putting the well-being of employees and clients at the forefront of everything we do.

We offer hands-on training to help you become the team member everyone looks to. We require dependable self directed team members that can own the customer experience. We will provide you with qualified leads and tools that will help you meet your job satisfaction and bonus goals.

## Job Duties

This job has many rewarding job aspects that will be trained at our office and out at our customer's homes. We complete bathroom and kitchen remodels from floor to ceiling, wall to wall. A high level overview for our prospective carpenter is to demo, rough in, install and build based on our customers requests. Along the way, we have procedures and checklists in place to help guide a new employee.

You will be briefed on the jobs and have another team member with you for up to 6 months for training. Throughout the process, you will learn the Turek's Way and have the opportunity to work with our Project Developers to help the flow of our remodel process.

We expect you to understand the remodeling process including the proper construction steps to meet the needs of the customers. Professionalism, timeliness, organization, communication, supportiveness, honesty, safety, and being a continuous learner are the characteristics we are looking for.

Anyone can excel with the tools and processes we provide. We want you to be your best and help others while enjoying your employment.
